Guest Speaker

**MATT TYLER**

Matt Tyler is the Lead Pastor of Bangkok City Baptist Church in Thailand, an English-speaking church planted in August 2022. He is also a missionary with Reaching and Teaching International Ministries. Matt serves as a founding board member of the Saphan Siam Foundation, a ministry dedicated to strengthening Thai churches through biblical resources. Since 2022, Matt has been a council member with the Great Commission Council, a coalition of long-term missionaries dedicated to helping sending churches and mission agencies understand the greatest needs in modern missions. He and his wife, Emily, are always joyfully tired due to their three energetic and crazy boys: Samuel (6), Calvin (5), and Owen (1).

## Get to Know.

**David Kornegay**

**ELDER SECRETARY**

Through the influence of his parents and attending a crusade, David surrendered his life to Christ at the age of 11. He first attended ECBC in 1985 and returned in 2010 after moving away for a time. David has previously served as an elder and deacon. In his free time, he enjoys going to the beach with his wife and spending time with family.

## Global Impact Projects.

By giving to Global Impact, you are helping bring the Word of Life to many unreached peoples across the globe.

**WEST AFRICA**

All over West Africa our partners are reporting that the gospel is growing and bearing fruit. And with many coming to Christ, there is a great need to get them God's Word. Your gifts have enabled the purchase of many Bibles and audio Bibles on SD cards which are being received by our new brothers and sisters with great joy!

**SYRIA**

The education system in Syria has been decimated by civil war. Our partners are working with Christians in Syria to provide tutoring to children of all ages. This also enables the families to hear the good news and experience the love of Jesus Christ as our partners make home visits. Your Global Impact giving also enables our partners to provide school supplies, materials, meals, and other necessities.

**SAUDI ARABIA**

The Bedouins, a remote people group, do not have access to ophthalmic care and have a greater prevalence for a corneal disease that leads to blindness. Your giving supports workers who are building an eye imaging system that will allow them to gain access to the Bedouins and share about the light of the world who can heal their spiritual blindness, as well.

**SOUTH ASIA**

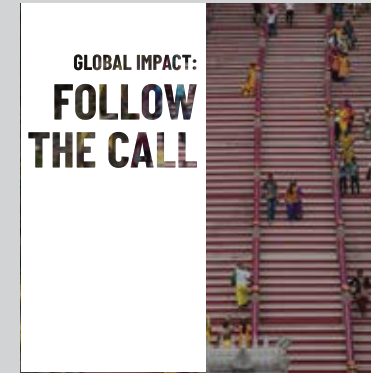

South Asia is home to the world's greatest number of Un-reached Peoples and mobilizing the local churches is the only way they will be reached. That's why our partner is training church leaders in the region's largest denominations to evangelize, disciple and plant churches. Your support provides training materials, transportation and food for the training.
